Hi Roger,

Thank you for sending the WA Trust an invitation to participate in the Section 106 Consultation process for the McMillin Bridge. Please accept this message as our acceptance letter to be a consulting party. I have not yet had the opportunity to review the documents you send on the CD, but will certainly submit any comments we have after I have the chance to do so. In the meantime, please do keep us informed on future progress and potential meeting dates.

Best,
